

# STEARN'S VESTS AND JACKETS

## 650 - Stearns® VR™ Versatile Rescue Vest

Provides up to 25 lbs. of buoyancy. • Designed to provide extra shock absorption. • Rugged 420 Denier nylon pack cloth shell for strength and durability. • Soft 200 Denier foam liner for comfort. • Bright red outershell for daytime visibility. • SOLAS-grade 6755 3M™ Scotchlite™ Reflective Material on front and back for improved nighttime visibility. • Four front and back straps. • Waist belt under foam to help prevent roll-up. • Front and back fold-out side panels provide side protection for full range of sizes - panels conveniently fold in for added ventilation. Chest pad covers center split. • Thin, low profile design adds cushioning while permitting unrestricted freedom of movement. • Longer torso length for greater body coverage and justis for sitting. • Adjustable shoulders are elastic to take up excess fabric. • Stainless steel shoulder adjustment hardware allows for customized fit for tall or short wearers.

**SPECIAL FEATURES INCLUDE:** Fether cover to keep loose straps refined and snag free. • Removable patch straps stow in pocket when not use. • Polyethylene foam absorbs shock and helps insulate against cold water. • Convenient webbing attachment strip to clip a whistle, trauma carabiners, etc. • Lash tabs on left and right chest and on shoulders for fastening knife or tools. • Multiple D loops and tunnels to retain loose lashing ends. • Utility chest pad is equipped with multiple pockets and loops. Lower front pocket provides plenty of room for storage.

Sizes: Adult Universal  
Color: Red (RED)  
Approval: USCG Approved Type V
