

WORKWEAR & BREATHABLE DRYWEAR

STEARNS' DRYWEAR WORKWEAR

The work can't stop when the rain moves in...with Stearns' Cotton Duck Drywear Workwear the job is sure to get done. The rugged and durable outershell is constructed of 11 oz. 100% cotton duck coated on the back with Stearns' Series 1 Waterproof and Breathable treated on the surface with Dupont Teflon DWR finish. All garments have fully taped seams to ensure that you stay dry in the wettest conditions. When on the job, restriction of movement isn't an option, that is why Stearns' Drywear Workwear garments have been designed with freedom of motion and comfort in mind. Loaded with pockets and features, these garments are essential when working in the elements of Mother Nature.
